

## Faculty Profile

|  |   |               |   |
|--|---|---------------|---|
| <b>Name</b>                            | <b>Prof Kashyappuri T Goswami</b>   |               |  |
| <b>Contact</b>                         | kashyap.goswami@gmail.com   |               |   |
| <b>Designation</b>                     | Assistant Professor   |               |   |
| <b>Department</b>                      | Electronics & Communication   |               |   |
| <b>Date of Birth (YYYY-MM-DD)</b>      | 1990-07-21  |               |   |
| <b>Educational Qualification</b>       | M.E.E.C. (Signal Processing & VLSI Technology)  |               |   |
| <b>Work Experience</b>                 |   |               |   |
| <b>Teaching Experience</b>             | <b>Total</b>  |               |   |
| 1 Year, 8 Months                       | 1 Year, 8 Months  |               |   |
| <b>Area of Specializations</b>         | Signal Processing, VLSI Technology, Artificial Intelligence   |               |   |
| <b>Subjects teaching at U.G. Level</b> | Image Processing, Signal Processing, Signal & Systems, VLSI Technology, Embedded System, Antenna, Circuit and Networks, Microcontroller & Interfacing |               |   |
| <b>Project/Thesis Guidance</b>         | <b>Degree</b>   | <b>Number</b> |   |
|  | UG Project  | 1             |   |
| <b>Projects carried out</b>            | Automation in Irrigation  |               |   |
