AZAADI'70 CELEBRATING FREEDOM

on 12th August, 2016

"At the stroke of the midnight hour, when the world sleeps, India will awake to life and freedom. A moment comes, which comes but rarely in history, when we step out from the old to the new India discovers herself again". - Pt.Jawaharlal Nehru

It was on 15th August 1947, when India won freedom from the British Raj and thus was the beginning of a new era where India arose as a free nation. The Independence Day commemorates the birth of the world's biggest Democracy, India and this day holds a very unique significance in the Indian history.

The Indian Independence struggle had many important chapters including the Revolt of 1857, Jalianawala Baugh massacre, Non-cooperation Movement to the Salt Satyagraha and Quit India Movement. India went through a long journey that had numerous national and regional drives and the two main weapons used were truth and non-violence.

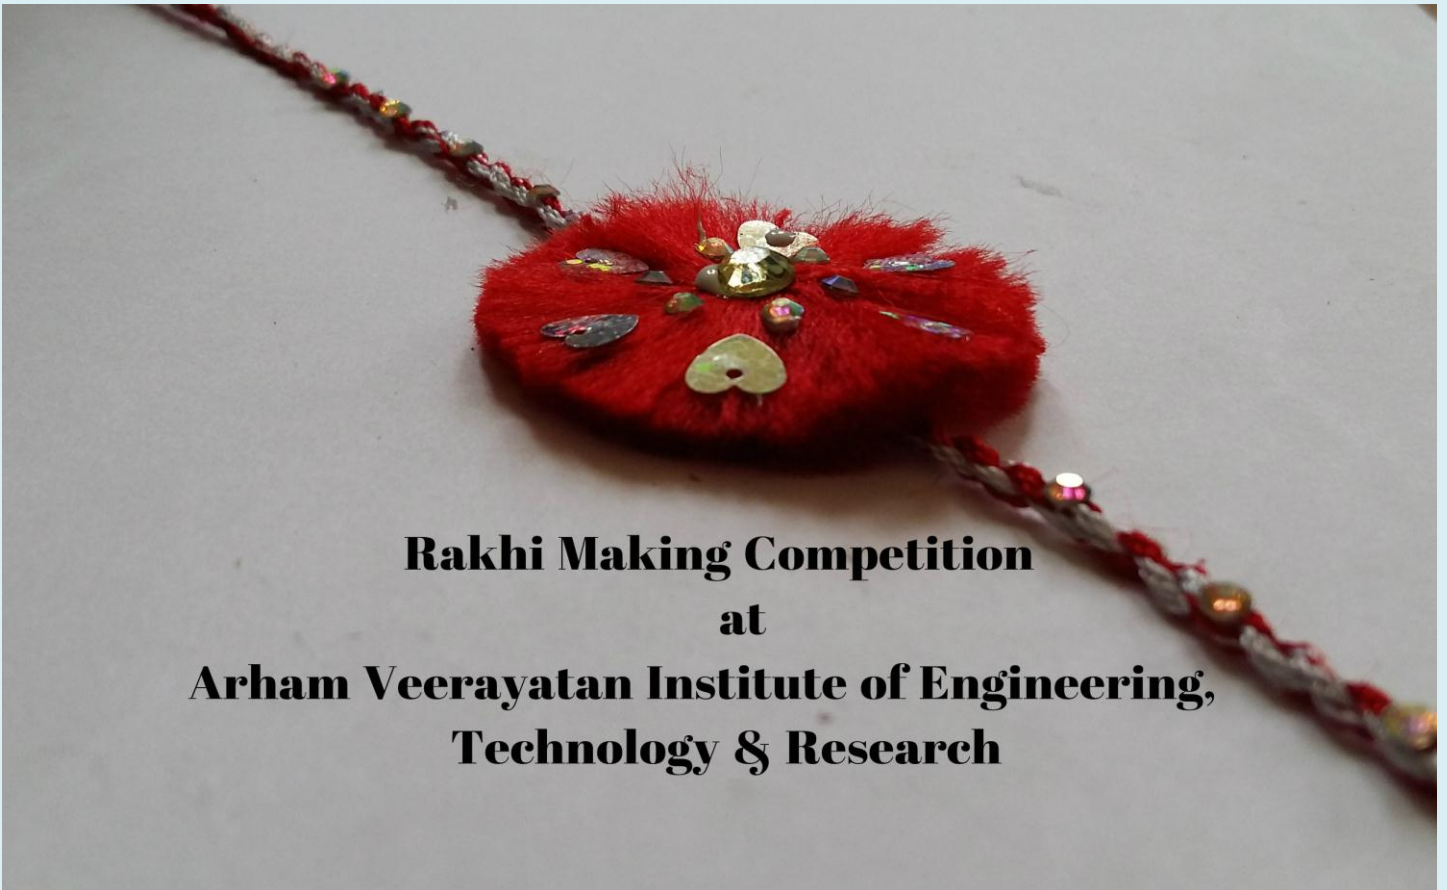

This day is also an occasion to rejoice our freedom and to pay homage to all those martyrs who sacrificed their great lives for the cause of Nation. The Independence Day fills the heart of every Indian with Nationalism, solidarity and fidelity.

The 70th National Independence day was celebrated with verve and vigor in the ARHAM VEERAYATAN INSTITUTE OF ENGINEERING, TECHNOLOGY & RESEARCH, Haripar – Mandvi (Kutch) campus. The entire Institute paid its respects to both the nation and leaders who helped to achieve this Independence.
