Summary Report on **TECHNOTRENDZ 2016**

Celebration of Technology

(4th – 5th April, 2016)

Engineering colleges keep on organizing college festivals every now and then. Have you ever realized the importance of these festivals? The purpose of doing so is multiple. Firstly, it helps the academic institutions to bring together the students from across the country. Secondly, these college fests promote innovative ideas and allow students to share their knowledge and ideas with other students. Thirdly, attending these festivals give information on the different fields of study. Sports events, quizzes, seminars, music and dance are the part of of the college fests.

As an engineering student, the candidate has to be involved in more and some more studies. In order to learn something more apart from the theoretical knowledge, the students can enhance their knowledge by participating in technical and cultural fests organized by colleges.

Basically, this article focusses on the importance of Cultural and Technical Festivals in Technical Institutions in India. Moreover it also focuses on the importance of college festivals and mentions some of the popular tech and cultural fests organized in engineering colleges.

College life is one of the most exciting and important phases in anyone's life. During this period, a student comes across several experiences, and learns new things. A college festival is not just for fun, it adds value to a student's learning experience. In fact you have to say that importance of Cultural and Technical Events in college equals the importance of studies.

TECHNOTRENDZ 2016- It is the annual festival organized by Arham Veerayatan Institute of Engineering, Technology & Research – Haripar, Mandvi (Kutch). With the blessings of Pujya Acharya Shree Chandnaji Majharaj Saheb and Pujya Sadhvi Shree Shilapiji MaharajSaheb to match up the reputation of Arham Verayatan Group, the two day annual event had the best to offer to all the participants. TechnoTrendz 2016 included varios events, which helps students to enhance their knowledge, management skill and their overall development. There were 800 student participants from region of Gujarat State.
